The Honorable Elizabeth Warren  
Ranking Member  
U.S. Senate Committee on Banking,  
Housing, and Urban Affairs  
Washington, D.C. 20510

Dear Chairman Scott and Ranking Member Warren:

I am writing to express the support of the National Housing Conference (NHC) for the nominations of Joseph Gormley to be President of the Government National Mortgage Association (Ginnie Mae), Travis Hill to be Chair of the Board of Directors of the Federal Deposit Insurance Corporation (FDIC), and Frank Cassidy to be Assistant Secretary for Housing and Commissioner of the Federal Housing Administration (FHA) at the U.S. Department of Housing and Urban Development (HUD).

Mr. Gormley has served effectively as Executive Vice President and Chief Operating Officer at Ginnie Mae since April 2025, demonstrating his leadership during a period of substantial change. His previous tenure at HUD and FHA underscores his deep understanding of the complexities and opportunities within the U.S. housing system and commitment to affordable housing. Mr. Gormley is exceptionally well-equipped to guide Ginnie Mae forward.

Mr. Hill has served demonstrably as Acting Chairman of the FDIC Board of Directors since January 2025, after serving as Vice Chairman since January 2023. He has a wealth of knowledge and experience in financial services regulation and a proven track record of thoughtful policy leadership. Through his roles in both the executive and legislative branches, he has demonstrated a commitment to engaging with stakeholders and partners across the political spectrum.

Mr. Cassidy has an extensive background in real estate and housing finance, working in both the multifamily, senior housing, healthcare facilities, and single-family spaces. That experience has already been invaluable at HUD and FHA, where he has served as the Principal Deputy Assistant Secretary for HUD's Office of Housing and FHA since April 2025.

I am confident that each of these nominees will carry out their duties with integrity, skill, and in the best interests of the American people. NHC looks forward to continuing to work with them, and urges the Senate Banking, Housing, and Urban Affairs Committee to approve their nominations and advance them to the Senate floor as quickly as possible.

Sincerely,

David M. Dworkin  
President and CEO

Cc: Members of the Senate Banking, Housing, and Urban Affairs Committee
