

The place where housers come to get things done.

www.nhc.org

The National Housing Conference (NHC) works across partisan lines to develop solutions for America's biggest housing challenges. Our members represent diverse leaders across the housing spectrum, including lenders, homebuilders, affordable housing advocates, real estate professionals, housing development corporations, housing finance agencies, and more. Through strong partnerships and collaborative efforts, we educate stakeholders on best practices, innovations, and studies to advance our common goals.

LEADERSHIP

NHC leverages its deep understanding of housing and community development policy and extensive relationships to advocate for positions and perspectives on key issues.

- NHC champions policies and guides industry stakeholders on strategies to address affordable housing needs.
- We engage members and policymakers to improve collaboration around diverse agendas and build consensus on vital issues.
- NHC unites the housing community to tackle broad-reaching issues, such as racial equity. We are a founding member of the **Black Homeownership Collaborative**, committed to creating 3 million net new Black homeowners by 2030.

CONVENINGS

We convene housing advocates alongside leading experts, policymakers, and public officials to find **tangible, impactful, and achievable** solutions to crucial housing challenges.

- **Solutions for Housing Communications** explores communications and messaging strategies for expanding awareness of affordable housing concerns.
- **Solutions for Affordable Housing** examines how federal and local policies shape vital national housing issues.
- **NHC's Housing Visionary Awards Gala** honors organizations and/or individuals who make a difference in addressing homelessness and advance affordable homeownership and rental housing.

RESOURCES

NHC produces practical, solution-focused, best-practices research that highlights the challenges and opportunities for successfully advancing affordable housing.

- Our member-only **Housing Resource Center** offers thousands of federal policy resources to help you make informed decisions and play an active role in shaping effective housing policies.
- NHC's podcast, "**Beyond Four Walls: Conversations on Affordable Housing**", engages industry leaders and policymakers in candid conversations about pressing housing issues.
- Our research, including the **Paycheck to Paycheck** database, educates members on current and emerging issues to address diverse housing needs. This database compares the cost of renting or owning a home in 390 metro areas with median incomes in 150 occupations.
- Partnering with members, we host webinars informing stakeholders about the latest industry topics.

ABOUT US

NHC is the nation's oldest and broadest affordable housing coalition. We have been defending the American Home since 1931. NHC members convene and collaborate through dialogue, advocacy, research, and education, to develop equitable solutions that serve our common interest – an America where everyone is able to live in a quality, affordable home in a thriving community. Politically diverse and nonpartisan, NHC is a 501(c)3 nonprofit organization.
